

# Conestoga Marching Pioneer Band Leadership Team Application

Welcome and thank you for showing an interest in being a part of the Student Leadership Team. ***We hope you will find the application process to be interesting and enriching regardless of the outcome.*** If you have any questions about the process or your application, please do not hesitate to contact Mr. Nation or Ms. Hesse at any time. Good luck, and work hard to accurately represent yourself throughout this process.

**Your candidacy will be evaluated using the following criteria:**

1. *Past Performance and attendance*
2. *Quality of your application*
3. *Future leadership potential*
4. *Best fit for the individual and organization*

**When completing the application, be thorough, complete, creative and honest.** Do not say what you think your director may want to hear. Say what you really think! Leaders are people who can offer something new and different to the group. This application process is structured so that you will gain insights into yourself as a person, so please be honest and thorough. You need to open up and show the person that you truly are, or what you aspire to be. Whether you are chosen to participate in the position for which you apply is not the point. Answer the questions with the intent of learning something new. **Please do not fill out this application unless you are prepared to participate in the new leadership training process. This training process will include a leadership training session during the summer.**
