

Dear Marching Band/Color Guard Parent:

This Friday, our shoe provider will fit students for shoes. With proper care, these shoes will last all four years of your son/daughter’s marching experience. Color Guard gloves will also last all four years with proper care. Because of the cost, color guard gloves are ordered on a need by need basis. We do not stock extra color guard gloves! If you have lost your gloves from last year, please see Mr. Nation ASAP. Wind & Brass gloves are stocked at the high school and can be replaced immediately. Drum Line does not wear gloves. Shoes will be delivered to CHS and handed out by the directors.

Please complete the form below and include a check made out to **Conestoga High School**.

Thank you!
